

Row Hollow

Center Canyon comes in from the east and was the location of another sawmill. Between this canyon and Dead Horse Flat, Cory Hanks, who was so cruelly maimed in a giant-cap explosion, had a little store and there he lived with his mother. Next *Turner Canyon* comes in from the west where Turners owned a sawmill. Then *Row Hollow*, which supposedly got its name because Indians and white men had a skirmish there. *Three Forks*, one canyon from the east, two from the west comes in next. Here John Turner had another sawmill; then comes *McQuire Canyon* from the east where Patrick McQuire built a sawmill.
